5. Old Business

- a. Discussion and possible action regarding TVCCA contract with recreation – T.** Babbitt noted this contract was previously reviewed and sent back to TVCCA because the BOS had some issues with it. This program helps families that qualify, pay for summer recreation. They currently have some applications they would like to process in case we do move forward, in respect to the pandemic restrictions. J. Picco did mention he remembered the previous issues with the contract having to do with insurances. T. Babbitt noted that has been resolved and a lot of the language that did not apply to our program was taken out. R. Grabowski suggested approving the contract with the condition that the program is able to move forward. T. Babbitt noted the contract could move forward and the applications processed in case the summer recreation program starts, then they would be prepared.

MOTION: Motion was made by R. Grabowski, seconded by T. Babbitt, to move forward and allow the First Selectman to sign the TVCCA contract in order to be prepared in the event the summer recreation program commences. **Motion carried unanimously.**
