Commissioner Melody A. Currey
Dept. of Administrative Services
165 Capitol Ave.
Hartford, CT 06106

Commissioner Currey:

Please consider this an official request for a meeting to discuss the State of Connecticut's quest to build a Connecticut State Police gun range in the Town of Griswold. We believe there are clear violations of State Statute and law as outlined in the enclosed letter by our town attorney. For this reason, we respectfully ask for this process to cease.

As advised by our town attorney, we will seek legal action if necessary.

We are requesting this meeting with you and your staff to discuss our concerns with this process.

Respectfully,

Kevin Skulczyck,
Griswold First Selectman
