**Glasco Water Pollution Control Authority  
Regular Meeting  
November 20, 2019 6:00 pm  
First floor meeting room  
Griswold Town Hall**

**The meeting of the Glasco Water Pollution Control Authority was called to order at 6:01 pm by Paul Brycki. Those in attendance were Paul Brycki, Chester Greckowski Jr., Elinor Rix Greczkowski, Mark Manuzzi, Monique Manuzzi, and Mike LaLima.**

**Minutes from the Public Hearing were all sent via email and Elinor motioned to approve the minutes and Chester seconded it.**

**Motion to raise the sewer rate from \$144.00 to \$288.00 per single family unit was motioned by Chester motioned to raise the sewer rate and Ellie seconded it. All were in favor of the new sewer rate. A notice was put in The Bulletin the next day in legal notices.**

**Brendan Rowley of Hungerfords Incorporated from North Haven came and gave us an estimate to what it will cost per year to have the pumps, motors and alarms checked. Need to have the pump pumped so he can look at the pumps. One pump is original, and they are no longer made. Mike asked Paul to get the gated area cleaned out. Monique is getting estimates from Septic businesses to have the pumped cleaned out when Brendan comes to look at the pumps. We are looking at the beginning of 2020. Looking to have the contract signed for Hungerfords Incorporated to look at the pumps, motors and alarms twice per year.**

**Paul talked with Frank Blanchard from Prime Electric for an estimate to start the electrical. Need permits and Eversource to shut off main power which could take up to 6 weeks. the new sewer rate starts in January.**

\

**Schedule of meetings for 2020 and 2021 were discussed and Mark motioned to approve, and Chester seconded it.**

**A motion was made to close the meeting at 6:30 pm motion was made by Chester Greczkowski and seconded by Mark Manuzzi; all agreed; no one opposed.**

**Respectfully submitted,**
