Test Shooting – Wednesday, June 13, 2018 Questions & Answers:

1. How many people will be shooting at one time?
Up to 15
2. What caliber shooting will be used?
.223, .308 and 45 and 12 gauge shot gun
3. Will there be a witness allowed during shooting?
Have agreed to two town officials (Todd Babbitt and Tracey Hanson will attend)
4. What will be the direction of the muzzle?
Shooting will be in all directions and time and direction of occurrence will be noted.
5. Is there a better time frame for residents?
The sound monitoring equipment will be set up and testing will commence after that.
6. What will the backstop be comprised of?
DOT will be bringing in sand
7. Will there be noise monitoring at the boundary lines?
They will be testing up to 2 miles out

We are urging all residents to stay out of the shooting area for safety reasons. This is very important and will expedite the process and allow all scheduled testing to be completed within the allotted time.
