1. The Pond Weed Study Committee was called to order at 7:00PM by Chairman Thomas Giard. The roll was called.

3. T. Giard welcomed all visitors and guests. One new visitor from Ashland Pond and many new visitors (show of hands) from Pachaug Pond were in attendance.
4. T. Giard gave a brief explanation to all in attendance to recap where we are with respect to the research we have conducted over the last several months. It was said that this group is an informational group to discuss alternative ways to combat weeds in and around Pachaug Pond. We as a group would like to invite other waterfront owners from Ashland Lake, Hopeville Pond and Glasgo Pond to attend our meetings in an effort to work towards a solution for their respective body of water. T.Giard asked the Ashland Pond visitor if it was possible for him to stay after the meeting for additional discussion.
5. T. Giard asked if there were any comments or questions from members and Board of Directors. No comments or questions at this time.
8. No new business
9. Adjournment: at 7:05PM, the Chairman called for a motion to adjourn. A motion to adjourn was made by Barbara Hatch and seconded by Evert Gawendo.. All were in favor, motion carried.

Respectfully Submitted
