Rixtown Cemetery Committee Meeting Meeting Held at Rixtown Cemetery Rixtown Road, Griswold, CT April 28, 2021

Meeting called to order at 4:15 pm by Pat Peltier, Chairperson. Those in attendance were: Elinor Rix-Greczkowski, Michael Panus, and Ransom Young. Absent was Melanie Peltier.

Meeting minutes and meeting schedules were handed out to all and approved by Elinor Rix-Greczkowski and second by Mike Panus.

Old Business: Pat Peltier noted that the new sign board for the cemetery had been installed since our last meeting on January 23, 2020 due to the COVID pandemic.

We did not have an update from Todd Babbitt regarding funds from old accounts being transferred into one account at Jewett City Savings. To be discussed at the next meeting.

At the January 2020 meeting, Ransom Young provided copies of two cemetery deeds from Griswold for all to review. Michael Panus provided copies of cemetery deeds from Preston. The map appears to be correct based on the deeds – however, the dates are a little off.

Elinor Rix-Greczkowski obtained a printed copy of Rixtown Cemetery Records from hale-collection.com. Copies are attached with this meeting report.

Items to Research:

- Add to sign: (Hours of operation, regulations, removal of decorations)
- Reparation of stones – look into available grants
- Possible stone documentation: John Dudek – DAR documentation, Mormon Church, American Legion Jewett City Post
- Superintendent

New Business: Ransom Young has put in 30 hours cleaning up debris this spring.

Pat Peltier received an email from Mike Panus requesting to set a new stone in his family Plot. A determination needs to be made as to who can give permission.

Ransom Young read a list of burial plots dated 1763 from a document he received from Preston which He filed with the Town of Griswold.

Next meeting: July 28th at 4:00 pm Selectman's Meeting Room, 2nd Floor

A motion was made to adjourn the meeting by Mike Panus and 2nd by Elinor Rix-Greczkowski. Meeting adjourned 4:50 pm

Respectfully submitted,

Elinor Rix-Greczkowski
