GRISWOLD INLAND WETLANDS, WATERCOURSES, and CONSERVATION COMMISSION & AQUIFER PROTECTION AGENCY MINUTES of MEETING of MAY 17, 2012 First Floor Meeting Room, Town Hall

III. Aquifer Protection Agency Meeting

1. **Call to Order:** Chairman Kinnie called the APA meeting to order at 9:00 P.M.
2. **Roll Call and Determination of a Quorum:** Kinnie, Norman, Waitte, Laidley were present as members; Churchill and Serdechny were alternates present. Churchill was seated for Rob Parrette; Serdechny was seated for Dean Rubino.
3. **Matters Presented for Discussion**
- 3A Next Steps for Implementation of the APA Regulations (see Wingfield approval letter). Now the Regulations were in place as of April 19, 2012, it is time to begin to send letters, maps, registration forms/site information forms to the likely uses in the aquifer overlay zone that need to be registered in the first six months (although liberal extensions of this timeframe are covered in the regulations) The Planner suggested as an inducement to have smoother voluntary compliance in the registration process, the IWWCC could waive registration fees if forms are received by the August 16, 2012 meeting. According to my information, those uses which need to be notified are American Industries, Stilly's Garage, Dante Woodworking, and some other smaller entities. After some brief discussion and a request that IWWCC members add other uses to the list if they know of them, Laidley MOVED, SECONDED by Norman, TO WAIVE REGISTRATION FEES FOR USES RECEIVED ON OR BEFORE THE AUGUST 16, 2012 MEETING. MOTION CARRIED UNANIMOUSLY
4. **Adjournment of APA meeting:** With little discussion, Norman MOVED, SECONDED by Laidley, TO ADJOURN THE APA MEETING AT 9:24. MOTION CARRIED UNANIMOUSLY.
