- III. Correspondence – None
- IV. Old Business:
 - A. Normand Sylvestre memo tabled from the May 16th meeting – a review of the items was done and the committee determined there were only 3 outstanding items. All others had been addressed. Committee will review these three items in the future.

- VI. Other Business –
 1. It was brought to the attention of the committee by member Bill Czmyr that the funding requested by the American Legion Ambulance had been denied by the Town thus resulting in a situation that may impact the health and safety of the citizens of the town. The committee invited representatives of the American Legion Ambulance to attend the October meeting and present their case.
 2. Stacie Stadnicki cannot attend the next 3 meetings due to a conflict with a training class required by her employer. Committee consensus is that these absences will be considered ‘excused’.
 3. Contact is to be made to the Selectmen requesting that they again advertise for member for the health and Safety Committee.
- VII. Public Forum – None
- VIII. Motion to adjourn at 7:13PM.

Respectfully Submitted,
Susan E. Gunderman, Secretary
